PROFICIENT INDUSTRIES INDIA PVT. LTD.

About Us

Under the able guidance of our founder - Mr. Ashok R Vishwakarma,
We have carved a niche for ourselves owing to his sharp business
insight and industrial experience.

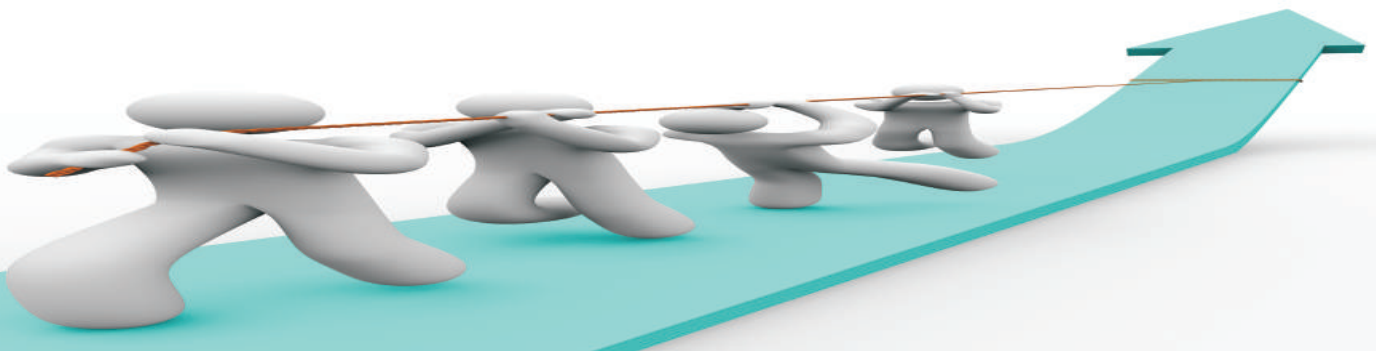

PROFICIENT INDUSTRIES (INDIA) PRIVATE LIMITED have
become one of the leading name in India for manufacture & supply
of Dished ends, Expansion bellows, Toricones, Shells , Pressure vessels,
Boilers, Heat exchangers, Vaccum columns, Coke drums,
Coker fractionators, LPG mounded vessels, Storage tanks,
Horton Spheres, Boilers (IBR & Non-IBR), Electric arc furnaces etc
in various grades of Carbon, Alloy & Stainless steel that find wide
application in all types of Chemical Plants, Oil & gas refineries,
Steel plants, Power plants (Hydro-Thermal-Nuclear) & Defense industry etc.

We have a well-equipped manufacturing plant spread over
10,000 square feet of area at the most premium location in
Bhosari industrial estate located in pune. Due to our stringent
quality control procedures, We have formed & fabricated
qualitative products which are very well accepted in Private,
Public & Government sector industries. Being continuously
in the competitive market for 24 years, We have indigenously
developed our unique & proficient method of meeting the
quality & standards.

Our Team

We have formed a strong team in our organization that is capable
of meeting the desired quality requirement as per the design & drawing
of our clients. Our team comprises of procuring agents, Technicians,
Engineers, Quality analyst, and Marketing personnel and others.

Every member of our team is well aware of latest technology and
has an ability of adapting ever changing trends of market. Our procuring
agent is well knowledgeable in selecting quality raw material from
reliable vendors. We have highly trained technicians who carefully
operate the production process. The engineers and quality analyst
strive hard to maintain the industrial standards. Our range is catering
to various clients due to the sincere efforts of our sales and
marketing personnel.

PROFICIENT INDUSTRIES INDIA PVT. LTD.

Quality Assurance

Being a quality driven organization we try to facilitate our clients with qualitative products. We source raw materials & consumables for manufacturing & testing from highly reputed vendors to ensure flawless products. The quality of our product range is checked at various stages of production.
